

Quality Policy

Quality is a commitment by the management for company policy. To ensure that this policy is clearly defined, understood and effectively implemented at all stages of the company's operations, a documented quality system has been developed to comply with the requirements of ISO 9001: 2008 to which this manual is correspondingly referenced.

The Manual specifies the organisation and procedures upon which the Company policy is based. The procedures, which apply to all products of the Company, have been authorized by the undersigned and must be adhered to for the relevant activity at all stages of the companies operations.

All the Company's procedures are relevant to the expectations and needs of the customers, and the company.

The Company reviews this policy and the business objectives at the 12 monthly management review meeting. The Company is committed to a continual improvement programme.

A copy of this statement will be issued to all employees of the company.

This policy statement and the quality manuals will be reviewed at the management review meeting.
